

Intercollegiate Competition Entry Form Instructions

All athletes must be:

1. Current members of U.S. Figure Skating (any home club)
2. Currently enrolled as a full-time student, as defined by the college they attend (applies to both undergraduate and graduate students).
3. Test eligible for the events they are entered in, per the Intercollegiate Technical Rulebook.

Test levels and membership will be checked by U.S. Figure Skating. Ineligible skaters may be disqualified from the event with no refund or substitution. Please check the membership and test level of all skaters before entering them in a competition.

Solo Dance Events:

Reminder: Passing a dance test means having passed ALL tests in that level.
